Sir K. Seshadri Ayer
Dewan of Mysore.

The humble petition of Cosamiah Saheb, late Field Inspector of the Mysore Khedda Department,

Most respectfully showeth,——

1. That your petitioner, a native of Chitagong, was employed in capturing elephants at Dacca, whence he was taken into the Mysore Government Khedda Department, for 3 years' service, by the late Saunderson in 1889. At the end of which time, when your petitioner wanted to go away, Mr. Saunderson seeing that your petitioner discharged his duties to the extreme satisfaction of his superiors, offered to provide for him here alone; to which your petitioner agreed, and had been doing work under this Government in the above-mentioned department for 9 years, until the year 1898, when he was retired owing to the abolition of the Khedda Department.

2. That in consequence of this Colonel Walker and you were pleased to recommend your petitioner for a liberal pension; and your favour was further

shown him in that your petitioner is given to understand that he will be taken into the Govt. Service, whenever elephants are to be captured.

3. That as regards the pension, although recommendations were strong enough, your petitioner had not the good fortune of getting a liberal one, for in place of Rs. 200, his monthly pay, your petitioner was allowed only Rs. 35 per mensem.

4. That, learning the Government is making preparations to capture elephants, your petitioner humbly offers his service. He begs to state that he is not too old to do work, and that he did not retire from service of his own accord.

5. That, even if you will be pleased to give him a contract for capturing elephants, your petitioner will willingly accept it.

6. That, if your petitioner be not complied with any of these requests, he most humbly requests that you will be good enough to grant him a liberal pension, or give him, in guerdon of his services, a good bonus, which, as it was the plague season, your petitioner refrained from asking; So that he and his family may live comfortably, which he could not do with the small pension now allowed to him.

7. That although your petitioner is not advanced in years and is willing to work

he will not be given now any work in the Khedda Department in Dacca where he had served before coming here.

8. That he has therefore to sit quiet, against his will like a rotten old man.

9. That your petitioner therefore requests you to be good enough to get him an employment now, or grant him a more liberal pension or a good bonus.

10. That your petitioner further requests you to grant him a piece of land with timber etc., to build him a house and a tract of country for his cultivation which H.H. the late Maharaja and yourself had promised to give him, and which your petitioner is sorry to say he has not yet received.

. . . For which act of kindness and justice, petitioner shall as in duty bound,

Ever pray.

Proceedings of the Government of Mysore :—

Read :—

Correspondence ending with letter No. $\frac{8588}{95}$, dated 15th October, 1898, from the Conservator of Forests in Mysore, *re* the pension admissable to the late Field Inspector, Oossamia, of the Mysore Kheddah Department, whose services were dispensed with on the abolition of that Department.

Order thereon No. $\frac{3342—43}{\text{K. F. } 128\text{-}95}$

Dated Bangalore, 16th November, 1898.

Oossamiya's services in Mysore extended over a period of nine years and one month as shewn in the statement received from the late Kheddah Superintendent through the Conservator of Forests and duly verified by the Comptroller. Government are pleased to treat this service, as a special case, as pensionable service, though Oosamiya was being paid from working charges, and they are further pleased to add to this pension three years in consideration of the fact that Oossamiya had rendered several year's service in British India before he joined the Mysore Kheddah Department and has since rendered efficient and approved service in Mysore.

In recognition of Oossamiya's valuable services to the Durbar, a Certificate will be granted to him in the following terms:—

This is to Certify that Oossamiya, late field Inspector of the Mysore Kheddah Department (a Native of Chittagong and son of Gool Buden, late Head Kheddah Jamadar, Bengal) rendered efficient and approved service in Mysore during a period of 9 years. His usefulness as a professional Elephant Capturer attracted special notice on several occasions, among which may be mentioned the visits paid to the Kheddas by His Royal Highness Prince Albert Victor of Wales, and by their Excellencies Lord Landsdowne, Lord Elgin and Lord Wenlock. Oossamiya who has been retired owing to the abolition of the Khedda Department in Mysore has in recognition of his excellent services to the Durbar been awarded a special pension.

With the above observations Government are pleased to sanction a pension of Rs. 35-2-8 being twelve-sixtieths of Oossamiya's average pay, with effect from the 1st July 1898.
